

All Saints Bedworth

2021-2022 Review

Message from Mrs O'Grady, Head of School

I'm pleased to be able to end this academic year celebrating the fact that we have moved back to relatively 'normal' school life after two years of disruption, and we have been really pleased to be able to invite parents and carers back into school to celebrate events such as Sports Days. Thanks to your feedback from the recent parental engagement survey, we will be offering a wider range of opportunities for you to come into school to find out more about our curriculum, inclusive practice, values and vision with us next year—more information about these opportunities will be shared with you in the new Academic Year.

I continue to be incredibly proud of the work we are undertaking to embed our vision to ensure that we are all *"learning and growing together to be the best that we can be"*, and encourage you to look on the second page of this document to celebrate some of the things that have supported this over the last year. Whilst end of Key Stage results are certainly not the only measure of success, I am pleased to be able to share that our Reception, Year 2 and Year 6 results this year demonstrate the positive impact of our structured, progressive curriculum and the planned Covid-recovery support linked to this, as well as the impact of our focus on values such as 'high expectations' and 'challenge yourself'. We are really proud of these outcomes, and these are mirrored in all year groups. We are also really proud of the impact of the opportunities we are giving pupils to enhance their personal, moral, spiritual and cultural development through our Sports provision, pupil voice work and pupil leadership opportunities to name but a few. We are in the privileged position of now being asked by other local schools and schools within our MAT to share this work more widely with them as examples of outstanding practice. I encourage you to keep checking our weekly Newsletters and the 'living our vision' page on our school website to keep up to date with the fantastic achievements of pupils in this area, and again we look forward to sharing more of this with you in person next year and beyond.

I continue to be immensely proud to be part of the All Saints family and thankful for the hard work, dedication, passion and high expectations that are demonstrated by all staff and pupils. I am also incredibly grateful for the support that parents and carers have offered All Saints staff and pupils over the past year. We truly value the home-school partnership and endeavour to promote this wherever possible. I look forward working with you to lead the school through the next part of it's journey.

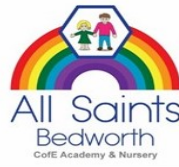

You will find enclosed your child's school report for the year. We hope you find it informative and that it gives you lots to celebrate and be proud of. If you wish to discuss the report, please make contact with your child's class teacher and they will arrange a time for you to discuss this.

Staffing for next year

We are pleased that teaching staff remains stable at All Saints, with all class teachers being familiar to pupils in September. We have enhanced our support for pupils with additional needs through our inclusion offer, restructuring our approach to supporting pupils with high level needs and recruiting new staff to support

Senior Leadership Team	Mr C. Errington (Executive Head Teacher) Mrs K.O'Grady (Head of School) Mr R. Dadley (Assistant Head Teacher) Miss K. Moorhead Mrs S. Byrne	
	Teacher	Teaching Assistants
Nursery	Mrs N. Thomas	Mrs M. Cook Mrs J. Morson
Reception	Mrs S. Byrne (M, Tu, W) Mrs K. Coleman (Th, F)	Mrs D. Henton
Year 1	Miss K. Markley	Miss A. Pittam (mornings)
Year 2	Miss M. Carbonell (M, Tu, Th, F) Mrs A. Dittman (W)	Miss M. Balmer (mornings)
Year 3	Mr R. Dadley (M, W, Th, F) Mrs A. Dittman (Tu)	Miss M. Croft (mornings)
Year 4	Mr O. Pipe	Mrs L. Watkins (mornings)

Inclusion Support Staff	Miss M. Carbonell (SENDCo) Mrs A. Greenway (Inclusion Co-ordinator)	Mrs G. Grice (KS1) Mrs H. Horton (KS2) Mrs S. Rose (mornings) Miss M. Croft (afternoons)

Continue to ensure our curriculum, assessment and lesson delivery effectively support all pupils to 'catch-up' where needed and make good progress towards age-related expectations

Enhancing our work to ensure pupils demonstrate **positive relationships** with each other and **respect difference and diversity** and staff and have high **aspirations** for themselves

Providing pupils with more opportunities to become actively involved in school life and decision-making, through an increased focus on 'pupil voice'

2021-22

What are we doing to improve our school this year?

'Learning and growing together to be the best that we can be.'

Continue to embed our **agreed lesson structures and curriculum**, which will effectively provide all pupils with the opportunity to succeed academically. Continue to strengthen our family support offer and the provision for pupils with additional needs through our strong Inclusion Team, and offer great **opportunities for children to shine** through Sport, clubs, trips and shows when circumstances allow.

Continuing to develop our teaching of the **wider curriculum**, adding extra **fluency sessions** to support pupils to retain and recall learning over time

Undertaking work to ensure that all members of the school community know, understand and share our **School Vision and Values**, and have opportunities to contribute to it.

Creating fertile soil in which everyone can grow

What we set out to achieve this year through our

← Academy Improvement Plan

We have achieved all of that and more.....
