**Re: Activity Week 2026**

Dear Parents and Carers,

We're excited to let you know about our upcoming Whole School Activity Week, taking place from **Monday 13th to Thursday 16th July**.

This special week is packed full of enriching activities, designed to broaden your child's experiences, introduce them to new skills, spark curiosity — and most importantly, have lots of fun as we approach the end of the school year!

We've been running Activity Week for several years now, and it's always one of the most memorable highlights for both children and staff. It gives every pupil the chance to take part in something different, inspiring and enjoyable. This year, we're delighted to offer an even wider range of exciting activities — please see the poster overleaf for a sneak peek at what's in store!

Every class will take part in at least 2–3 specially commissioned activities, many of which are delivered by external providers and carry a significant cost. **The exact activities your child will take part in will be shared on Class Dojo.** We're incredibly grateful to the Nicholas Chamberlaine Schools Foundation and our Sports Premium funding, which help us to heavily subsidise this week and keep costs as low as possible for families.

To support us in making this week as special as possible, we are asking for a **contribution of £5.00 per pupil**. The value of what children will receive is far greater than this, and your contribution plays a vital role in helping us to continue offering rich and exciting opportunities for all our pupils.

**Please make your contribution via MCAS.**

If you have any difficulties with payment, please do get in touch with us in confidence.

We know from experience that Activity Week leaves children with lasting memories, new passions and a real sense of joy, and we thank you for your continued support in making this possible.

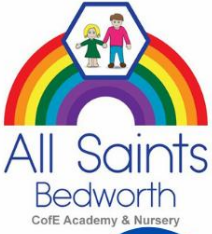

Yours sincerely,

*K. O'Grady*

*Mr R. Wagstaff*
