Tuesday 2<sup>nd</sup> June 2026

Dear Parents and Carers,

### **Update on SENDCo and Inclusion Leadership**

I am writing to update you on a recent and unexpected change to our leadership team.

As you know, we were very pleased to welcome Mrs Jenny Taylor as our SENDCo and Inclusion Leader after Easter. Unfortunately, due to a significant and unforeseen change in her personal circumstances, Mrs Taylor has had to make the difficult decision to step back from work and will not be returning to All Saints.

I know you will join me in understanding that this situation was entirely unexpected, and we respect Mrs Taylor's need to focus on her personal circumstances at this time. We thank her for the contribution she has made during her short time with us and wish her well.

### **Continuity of SEND Support**

I want to reassure you that support for our children with additional needs remains a key priority and will continue without disruption.

- Miss Carbonell will resume the role of SENDCo with immediate effect
- All existing support plans, provision and external agency involvement will continue as planned
- Class teachers remain the first point of contact for day-to-day support and communication
- The wider leadership team will continue to closely oversee SEND provision to ensure quality and consistency

Our commitment to inclusion is unchanged. We will continue to ensure that every child receives the care, support and provision they need to thrive, in line with our vision of creating the right environment for all children to grow and flourish.

### **SEND parents meeting – Change of Date**

The upcoming SEND parents' meetings have been postponed to the following dates:

- **Year 3, 4, 5 and 6:** Monday 22<sup>nd</sup> June
- **Reception, Y1 and Y2:** Tuesday 23<sup>rd</sup> June

This will enable Miss Carbonell to lead these meetings, alongside class teachers.

**Parents will need to re-book meeting times via MCAS.** We apologise for any inconvenience caused by this change of dates.

### **Next Steps and future leadership capacity**

As we shared previously, a dedicated SENDCo and Inclusion Leader role has been developed because of how important this area is within our school and the increasing complexity of need across our community. Miss Carbonell is currently balancing several significant responsibilities, including her Assistant Headteacher role, leadership of Early Years, Phonics and English, and her class teaching commitment. As previously explained, it is not sustainable for one person to carry all these responsibilities alongside leading SEND in the long term.

In the longer term, we will look to appoint a new SENDCo and Inclusion Leader to strengthen leadership capacity further. We will keep you informed as this progresses.

This approach reflects our commitment to building strong systems and ensuring that inclusion remains at the heart of our school as we continue to grow and develop our provision.

In the meantime, please be assured that your child's support remains stable and that we will continue to work closely with families, maintaining clear and open communication.

If you have any questions or concerns, please speak to your child's class teacher in the first instance, or contact the school office to arrange further discussion if needed.

Thank you, as always, for your continued support.

**Mrs K. O'Grady**

Headteacher
