Policy and Review

This policy is available on our school website and is available on request from the school office. All parents are informed about the policy when their children join the school and on a regular basis through the newsletter and letters home where relevant.

We recognise the expertise our staff build by managing school attendance daily and we therefore invite staff to contribute to and shape this policy and associated attendance and safeguarding arrangements.

This policy will be reviewed annually or before if there is updated legislation.

Introduction/Aim

As an academy in the Diocese of Coventry Multi Academy trust this policy is underpinned by our vision to build a better future for all within our Academies who in turn will positively impact their communities. Together, pursuing 'life in all its fullness' (based on John 10, 10)

At All Saints Bedworth C of E Academy, our vision of *"learning and growing together to be the best that we can be"* underpins everything we do.

We believe that attendance is fundamental to ensuring that every child flourishes academically, socially, emotionally and spiritually. Regular attendance enables children to form positive relationships, participate fully in school life, develop confidence and resilience, and achieve their potential.

We are committed to creating a culture where children want to attend school because they feel safe, valued, included and successful.

We recognise that excellent attendance is achieved through strong relationships, high expectations and effective support. We will work in partnership with pupils, parents and external agencies to understand and remove barriers to attendance wherever possible.

We also recognise that absence is often a symptom of a wider issue rather than the issue itself. Therefore, our approach combines support, challenge and accountability to ensure every child receives the full-time education to which they are entitled.

By working together — with families, staff, and the wider community — we aim to remove barriers, nurture positive habits, and support every child in attending school regularly, so they can grow into the very best version of themselves.

At the Diocese of Coventry Multi Academy Trust we value the attendance of all pupils. There is a strong relationship between good school attendance and achieving positive outcomes for children. It is recognised that attending school regularly can be a protective factor for children and young people. It is important that as a school we offer a safe environment, positive relationships, high quality teaching and learning opportunities to develop social and emotional skills.

[Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Ensuring that children attend school every day will help achieve this ambition by maximising their education and social achievements as well as developing self-discipline, organisation and preparedness for the work environment. Improving attendance and reducing absence, especially persistent absence is a priority for our school and for the Trust.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and those involved in governance to:

- Support pupil's achievement by establishing the highest possible levels of attendance and punctuality.
- Recognise the key role of all staff in promoting good attendance.
- Provide a clear framework for monitoring and responding to pupil absences.
- Make parents / carers aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning.

Legal Framework

Section 7 of the Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at school or by education otherwise than at school. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent absence.
- Ensure every pupil has access to full-time education to which they are entitled.
- and act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

In accordance with the Education Act, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A "Parent" is defined as:

- Any natural parent, whether married or not
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

Attendance Objectives

Our school attendance policy:

- Is easy to understand by pupils, parents and staff
- Is clear and consistently applied, transparent and fair
- Considers the individual needs of pupils and their families
- Is easy to find so that the whole school community is aware of our attendance expectations
- Includes the contact details of key staff to make it easy for parents to get in touch
- Is reviewed by staff regularly and involves pupils and parents because school attendance matters to everyone
- Is followed in accordance with the procedures in the flowchart below

Our attendance strategy is built around the following principles

Expect

We promote high expectations of attendance and punctuality for every pupil and seek to create a culture in which every child attends school regularly and is ready to learn

Monitor

Attendance is monitored carefully and patterns are identified early through regular analysis of attendance data.

Listen and understand

When attendance concerns emerge, we work with children and families to understand any barriers to attendance and identify solutions collaboratively.

Facilitate support

Where barriers are identified, we work with families and external agencies to provide timely support.

Formalise support

Where attendance does not improve despite support, more formal attendance plans or attendance contracts may be considered.

Enforce

Where support has not secured improvement, or where support would not be appropriate, legal intervention may be considered in partnership with Warwickshire Local Authority.

Roles and Responsibilities

At the Diocese of Coventry Multi Academy Trust, we believe that school attendance matters to everyone. School attendance is a shared responsibility by those involved in governance, all school staff, parents, pupils, and the wider school community.

Key staff with responsibility for the management of attendance are:

Role	Name	Contact details

- Have a named attendance lead for the trust who will report on attendance across the trust to the board.
- Provide termly network meetings to share good practice and provide support for one another.

The Academy Governance Committee recognises the importance of school attendance and promotes it across the school's ethos and policies. They take an active role in attendance improvement by:

- Supporting the school to prioritise attendance, and work together with leaders to set whole school cultures.
- Ensuring school leaders fulfil expectations and statutory duties.
- Ensuring school staff receive training on school attendance.
- Use data to understand patterns of attendance, identifying areas of progress and where greater focus is needed.
- Regularly reviewing attendance data and help school leaders focus support on the pupils who need it.
- Designating a member of staff to have responsibility for the promotion of the education achievement of looked after and previously looked after pupils.
- Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.

The school will:

- Have a clear school attendance policy on the school website which all staff, pupils and parents understand.
- Develop and maintain a whole school culture that promotes the benefits of high attendance.
- Accurately complete admission and attendance registers.
- Have robust daily processes to follow up absence.
- Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on.
- Have a dedicated senior leader with overall responsibility for championing and improving attendance.
- Proactively use data to identify pupils at risk of persistent absence.
- Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance.
- Signpost and support access to any required services where out of school barriers are identified and act as lead practitioner if attendance is the only issue and/or threshold for formal early help is not met.
- Take an active part in the multi-agency effort with the Local Authority and other partners and if the case meets threshold for formal early help/family support, including conducting an early help assessment and acting as lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the Local Authority and partners.
- Put additional targeted support in place to remove any barriers where absence becomes persistent.
- Hold more formal conversations with parents and be clear about the potential need for legal intervention in future where there is a lack of engagement.
- Work with the Local Authority on legal intervention where support is not working, being engaged with or appropriate.
- Intensify support through a referral to statutory children's social care where there are safeguarding concerns.
- Work with other schools in the local area, such as schools previously attended and the schools of any siblings.
- Agree a joint approach for all severely absent pupils with the Local Authority.
- Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them.
- Work with other schools in the local area and the Local Authority to share effective practice where there are common barriers to attendance.
- Maintain the same ambition for attendance and work with pupils with SEND and/or medical conditions and their parents to maximise attendance.
- Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed.
- Consider additional support from wider services and external partners, making timely referrals for children with SEND and medical conditions.
- Regularly monitor data for children with SEND and medical conditions, including at board and governing body meetings and with local authorities.
- Know who the pupils who have, or who have had a social worker are.
- Understand how the welfare, safeguarding, and child protection issues these pupils are experience, or have experience, can have an impact on attendance – whilst maintaining a culture of high aspiration.
- Provide additional academic support and make reasonable adjustments to help pupils who have a social worker, recognizing that even when statutory social care

intervention has ended, there can be a lasting impact on children's educational outcomes.

- Informing the pupil's social worker if there are any unexplained absences.
- Work in partnership with Local Authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked after children that support good attendance.
- Work directly with parents to develop good home-school links that support good attendance including discussion on the use of Pupil Premium Plus for previously looked after pupils.
- Monitor attendance of young carers and provide support where caring responsibilities create barriers to attendance.

The school requests that parents:

- Ensure their child attends every day the school is open except when a statutory reason applies.
- Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness) by 9.30am on each day of absence
- Only request leave of absence in exceptional circumstances and do so in advance.
- Book any medical appointments around the school day where possible.
- Work with the school and Local Authority to help them understand the child's barriers to attendance.
- Proactively engage with the support offered to prevent the need for more formal support.
- Proactively engage with the formal support offered – including attendance contract or voluntary early help plan to prevent the need for legal intervention.

Pupils/Students will:

- Be aware of the school's attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher/tutor or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- Bring a note of explanation from their parents or guardians to explain an absence that has happened or is foreseen.
- Follow the school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation.

Recording Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department of Education guidance to accurately record and report attendance. Attendance codes are included in Appendix 6.

Leave of Absence

- The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Expectations

- A leave of absence is granted entirely at the school's discretion. Permission for a Leave of Absence from a school may only be given by a person who the school's proprietor has authorised to do so (an authorised person).
- Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.
- Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.
- Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.
- When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify the parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.
- It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e the parent with whom the child normally resides.
- Where applications for Leave of Absences are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an "unauthorised" absence. Where a leave of absence is requested but additional days take either prior to or after the request, they may be considered as part of the leave of absence.
- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.
- All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council. Penalty notices

are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

- Where a Penalty Notice is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

- First Leave of Absence Offence: The amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence Offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice). A Penalty Notice will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Medical Appointments and Absence Due to Illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, they must inform the school office. No pupil will be allowed to leave the school site without parental confirmation.

In most cases, a parent's notification that their child is too ill to attend school will be accepted and the absence authorised.

The school will not routinely request medical evidence and does not operate a blanket requirement for medical evidence based solely on attendance percentages.

However, where there is a genuine and reasonable concern regarding a pattern of illness absence, the authenticity of illness, or where medical information is needed to identify suitable support for a pupil, the school may request reasonable evidence.

This may include:

- appointment cards
- prescriptions
- evidence of treatment
- hospital letters
- information from health professionals
- other appropriate evidence

The purpose of requesting evidence is to ensure attendance is recorded accurately and to help the school identify any support required

Pupil Absence for the purposes of Religious Observance

The school acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation, and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Head. Examples of unsatisfactory explanations include but are not limited to:

- a pupil's/family member's birthday
- closure of a sibling's school for INSET (or other) purposes,
- refusal to attend school on health grounds but where the pupil is considered well enough to attend' holidays taken without the authorisation of the school.

Traveller Pupils

Traveller pupils travelling for occupational purposes covers Roma, English and Welsh Travellers, Irish and Scottish Travellers, Circus workers, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the Head but it is not known whether the pupil is attending educational provision.

Our Procedures

Register Keeping and Recording

The School Attendance (Pupil Registration) (England) Regulations, require schools to take an attendance register at the beginning of each morning session and once during each afternoon session.

On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non-compulsory school age) whose name is listed on the admission register at the time.

Operations schedule	Person responsible and actions to take
<u>Start of the school day</u> Infant site: Gates open at 8.40am, gates close at 9.00am Junior site: Gates open at 8.30am, gates close at 8.50am	Office staff Identified gate key holders on KS1 and KS2
After 8.50/9.00 am Pupils enter the academy through the main office and make their way down to the classroom to receive their registration mark.	Office staff / parents
At 9.20/9.30 am the register will close.	Office staff
Pupils arriving after 9.20am (Juniors) /9.30am (Infants) will be classed as 'late after registers close' and will need to be signed in	Office staff / parents
<u>Afternoon registration</u> Registration is between 1.05 and 1.15pm (Juniors) and 1.15pm and 1.25pm (infants)	Teachers / TAs
<u>End of the school day</u> Infants: 3.20pm (gates open at 3.10pm) Juniors: 3.10pm (gates open at 3.00pm)	SSO / Office Staff Identified gate key holders on KS1 and KS2

Late Arrival at School

All pupils are expected to arrive on time for every day of the school year. The school day begins at 8.50am (infants) and 8.40am (juniors). We advise all parents to ensure their child is on site prior to this. All pupils arriving after gates close (see above) are required to report to the main office with their parents, who will be expected to sign their child in and provide a reason for their absence. If their arrival is before it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 9.20am (Juniors) or 9.30am (infants) All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate

interventions being instigated and may also result in a penalty notice being issued or prosecution.

Please note: L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

Expected Absence Procedure for Parents

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register and where no reason for absence is known.
- If there is still no contact made from the pupil's parents, a further telephone call home will be made again that morning. If no response can be gained, the child's named emergency contact will be telephoned.
- If school cannot contact a parent and are concerned about a pupil, a home visit may be carried out.
- School will telephone home if a pupil leaves the school without permission.

In certain circumstances the school may also:

- Visit the home of the pupil.
- Write to the parents of a pupil to highlight attendance or punctuality issues.
- Invite parents to discuss how school can support the family to make improvement.
- Discuss the pupil at the termly Targeted Support Meetings to seek advice and guidance on additional support strategies.
- Refer to Early Help and/or other external agencies to offer support, guidance, and advice.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures.
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.

Rewards and Interventions

Rewarding good attendance

More Progress!

Pupils with better attendance, make **more progress** and achieve more. There is no greater reward than meeting your potential; children who are **proud of their work** and efforts, **resilient children entering exams and excelling**, children who have the confidence and skill set to tackle life challenges head on, **children who aspire** to be the best that they can be.

Awarding good whole class attendance

The class with the best attendance each week is awarded with 10 minutes Golden Time; this is shared in our weekly newsletter.

Awarding individual attendance

Each term, pupil's whose attendance is **over 98%** for that period will be celebrated and receive an '**excellent attendance**' certificate to bring home

Family incentives and rewards

Each term **in every class**, pupil's whose attendance is **over 98%** for that period will go into a raffle to win a **£25.00 voucher** towards something that the whole family can enjoy. The winner from each class will be able to choose a voucher from one of the following places:

N.B. Pupils with an underlying health condition confirmed by a medical professional will not be excluded from this termly class raffle

Recognising Improvement

In addition to recognising excellent attendance, we believe it is important to celebrate improvement.

The school may recognise:

- significant attendance improvement
- improved punctuality
- successful completion of attendance plans
- improved attendance following periods of difficulty

Recognition may include:

- certificates
- letters home
- celebration assemblies
- class awards
- attendance improvement awards

This acknowledges the effort many pupils and families make in overcoming barriers to attendance.

Attendance Support and Improvement Process

Tailored Support

The school recognises that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

Strategies we may use to support you include:

School health referral, Family support referral, Early help program, adaptations to registration times

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered will be child centred and planned in discussion and agreement with both parents and pupils. This may include a referral to Early Help or a Attendance Contract.

Attendance of Pupils with SEND and Medical Needs

We maintain the same high ambition for attendance for all pupils, including those with SEND and medical needs.

We recognise, however, that some pupils experience additional barriers which may affect attendance and punctuality.

Where attendance concerns arise, we will work with the pupil, parents and relevant professionals to identify barriers and agree appropriate support.

Support may include:

- individual attendance plans
- reasonable adjustments
- phased or supported returns to school
- adapted start-of-day arrangements
- key adult support
- sensory or emotional regulation support
- support through an EHCP
- healthcare plans
- referrals to external professionals

Attendance concerns relating to SEND or medical needs will always be considered individually.

Reasonable adjustments will be considered in accordance with the Equality Act 2010.

Support plans will be reviewed regularly with families to ensure they remain effective and proportionate.

Pupils Requiring Additional Attendance Monitoring

The school regularly monitors the attendance of vulnerable groups including:

- pupils with SEND
- pupils with medical conditions
- disadvantaged pupils
- children eligible for free school meals

- children who have, or have previously had, a social worker
- looked after and previously looked after children
- young carers
- pupils at risk of persistent or severe absence

Where attendance concerns emerge, early intervention will be prioritised

Attendance Support and Improvement

The school uses a graduated attendance-support approach.

Early support is always prioritised, and intervention becomes progressively more targeted where attendance does not improve.

Attendance below 90% will normally trigger formal attendance support and monitoring. However, the school may intervene earlier where attendance patterns, punctuality concerns or emerging absence trends indicate that a pupil may be at risk of persistent absence.

Support is tailored to individual circumstances and may include:

- attendance discussions
- pastoral support
- family support
- Early Help
- referrals to external agencies
- attendance plans
- attendance contracts
- reasonable adjustments
- targeted attendance meetings

Where support is not improving attendance, or is not being engaged with, the school may seek further intervention through Warwickshire Local Authority.

Attendance Contracts

Where attendance concerns persist despite voluntary support, the school and/or Warwickshire Local Authority may consider the use of an Attendance Contract.

An Attendance Contract is a formal agreement between the family and the school or local authority that:

- identifies barriers to attendance;
- clearly sets out expectations;
- details the support that will be provided;
- establishes agreed actions for all parties.

Attendance Contracts are intended to support improved attendance and encourage engagement with support services before legal intervention becomes necessary

Penalty Notices

Penalty notices will be issued by the Head to parents or carers if your children are absent from school. Penalty notices will be issued in line with the National Framework for Penalty Notices.

The threshold is 10 sessions (equivalent to 5 school days) for any unauthorised absence within a rolling 10 school week period. The 10-week period may span different terms or school years.

The school will prioritise a 'support first' approach offering support to families in cases where it is appropriate. Penalty notices can still be issued where support is not appropriate, such as leave of absence in term time or when support has not been engaged with.

Penalty Notices will be issued by post to your home address to each parent or carer by the Local Authority at the request of the Head. The Penalty Notice is:

- £80 for each of your children if paid in full within 21 days.

- £160 if paid in full after 21 days but within 28 days.

If a second penalty notice is issued to the same parent within a rolling 3-year period, the notice will be charged at the higher rate of £160 with no option for this second offence to be discharged at the lower rate of £80.

A national limit of 2 penalty notices that can be issued to a parent of the same child within a rolling 3-year period has been set within the National Framework, so at the 3rd (or subsequent) offence(s) a prosecution will be considered.

Children Missing from Education (CME)

We have due regard to our statutory duty to safeguard pupils from CME. We follow the Local Authority's processes for reporting pupils missing from education. The DfE guide can be found here (August 2024):

https://assets.publishing.service.gov.uk/media/66bf57a4dcb0757928e5bd39/Children_missing_education_guidance_-_August_2024.pdf

See appendix 3 Grounds for deleting a pupil from the school's admissions register

Staged Reintegration/Part-time Timetables

All children of compulsory school age are entitled to receive a suitable full-time education and the school and Local Authority have a statutory duty to ensure that all children in the area receive such an education. In very exceptional circumstances, we may decide to implement a temporary, part-time timetable to meet a pupil's individual needs and only where it is safe to do so.

We will not use a part-time timetable to manage a pupil's behaviour. A part-time timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision where applicable. We will never put a part-time timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

We will notify the Attendance and Children Missing Education Team of all part-time timetables as soon as a plan has been agreed and use the appropriate attendance code to record this within our admission register.

Appendix 4 – Safe and Well Home Visits Flowchart

Families with Assigned Social Workers

DAY 1: Pupil is absent and no reason has been provided. They are included on the regularly updated vulnerable list.

NOTE – A safe and well check should always be conducted within three days of a pupil absence with no contact from home. Professional judgement should be used to determine if a home visit is required, and how quickly, even if contact from parent/carer is made where there are known vulnerabilities. Where contact is not made or the reason given for absence is a cause for concern, the DSL/Attendance Officer should record clear rationale for the decision to conduct a home visit or not on that day. Outcomes of home visits must always be recorded on CPOMS along with information regarding to referrals to other appropriate agencies made where no contact is made with the pupil. DSLs and Attendance Officers should have due regard to the Chadrack SCR which underlines the importance of adopting a safeguarding first approach and actively consider the wider context of a child's life. Contextualised professional curiosity can enhance our collective ability to safeguard and protect the young and vulnerable. <https://www.chscp.org.uk/wp-content/uploads/2018/03/CHSCB-Local-Review-Chadrack-Report-FINAL.pdf>
