"Learning and growing together to be the best that we can be".

9th July 2026

Dear Parents and Carers,

Breakfast Club Arrangements from September 2026

We are writing to provide further information about our breakfast club provision, which will begin on **Monday 7th September 2026**.

As previously shared, we will be offering both a **paid wraparound breakfast provision** and a **free universal breakfast club** as part of the Government's Free Breakfast Club Programme.

We are excited about the opportunities this will provide for our children. Research shows that having a healthy breakfast can help pupils feel ready to learn, improve concentration and attention, and support positive wellbeing throughout the school day. Breakfast club also provides a calm, welcoming start to the morning, helping children to settle before lessons begin.

Alongside breakfast, pupils will be able to take part in a range of quiet, enjoyable activities such as:

- Board games
- Arts and crafts
- Colouring and drawing
- Construction activities
- Puzzles
- Other tabletop activities designed to encourage social interaction and creativity

Paid Breakfast Provision (7:45am - 8:15am)

Our paid breakfast wraparound provision will run each morning, on both sites, from **7:45am to 8:15am**.

- Cost: **£3.00 per session**
- Available for children from Reception to Year 6
- Places **must be booked and paid for in advance**
- Bookings and payments should be made through your **MCAS account** (available to book now)

Free Breakfast Club (8:15am - 8:45am)

Our free breakfast club will run from **8:15am to 8:45am** each morning, on both sites, and is available to all pupils from **Reception to Year 6**.

Although this provision is free, **all places must still be booked in advance via MCAS** (available to book now)

This is essential because:

- It helps us maintain effective safeguarding procedures.
- It ensures we can provide sufficient food and resources.

- It allows us to staff the provision appropriately for the number of pupils booked on

Children cannot simply turn up on the day. If a child has not been pre-booked and their name is not on the breakfast club register, they will **not be permitted to attend**.

IMPORTANT: Breakfast will only be served until 8.30am, so if your child arrives later than this, they may miss out on having something to eat. Please therefore ensure all **pupils arrive by 8.30am**

Important Drop-Off Arrangements

Whether your child is attending the **paid breakfast provision (7:45am-8:15am)** or the **free breakfast club (8:15am-8:45am)**, they **must be dropped off directly at the site they attend**.

Unfortunately, due to the staffing requirements of the breakfast club, we will **no longer have the capacity to walk children between sites in the morning**.

The drop-off points will be:

Infant Site

- **Side door of the school hall**
- Breakfast club lead: **Miss Johnson**

Junior Site

- **Door to the junior school hall**
- Breakfast club lead: **Mrs Greenway**

Please ensure your child is taken to the correct site and entrance on arrival.

We appreciate that, for some families, this will mean managing **two separate drop-off points** in the morning. We wanted to provide plenty of notice so that families have time to plan and adjust their morning routines before the start of the new school year.

Changes to the Morning Bagel Provision

As breakfast will now be available for children attending either the paid or free breakfast club provision, we will **no longer be offering the morning Bagel Bar on the playgrounds** from September.

Children who require breakfast should attend one of the breakfast club sessions outlined above.

We are delighted to be able to offer this extended breakfast provision to support our children and families and thank you in advance for your cooperation in helping the arrangements run smoothly.

Please come and talk to us if you have any questions or comments

Yours sincerely,

K. O'Grady
