Re: Changes to Infant Site access

Dear Parents and Carers,

As you are aware, work to replace and improve the pedestrian gate on Bulkington Road will take place from **Monday 8th December to Wednesday 10th December**.

Following the installation of this new pedestrian gate and new car park gate earlier this year (access from The Priors), access to the Infant site will be more restricted. **These new restrictions will take place from Wednesday 10th December.**

Why Are These Changes Being Made?

The safety and security of our pupils and staff is our highest priority. For many years, the infant site has been used as a walk-through by members of the public. While this was previously tolerated, our school site is **not a public right of way**, and we now need to ensure that only authorised individuals can access the premises. These changes will help us maintain a secure environment and prevent unauthorised access, keeping everyone safe.

Gate Access Times

Car Park Gate (The Priors)

- This will now be a fully automated gate, with no way of opening it without being ‘buzzed’ in by a member of staff
- Parents / visitors will no longer be able to open this gate during the school day.
- Parents who normally access school via this gate during the school day (e.g. to collect / drop-off at Nursery at 12.00pm or to collect a child who is unwell) will have to press the buzzer and wait to be admitted on foot.
- No parent / carer cars will be allowed to drive into the school car park, unless they are a Blue Badge holder or this has been agreed in advance in exceptional circumstances

Pedestrian Gate (Bulkington Road)

- This will be open for parents and pupils between **these times only**:
 - **8:30am–9:05am** (morning drop-off)
 - **3:00pm–3:35pm** (afternoon pick-up)
- At all other times, parents and visitors will need to press the buzzer and wait to be let in.
- Parents / pupils will be able to walk freely through the infant site to get to the Junior site **only during these times**

- N.B. The 'walkthrough' during these times takes you through the infant playground and out of the other pedestrian gate on The Priors – please do not attempt to walk through the car park gate as this will not be possible

Breakfast Club arrival from 7.45am

- Parents / carers should ring the buzzer on either the pedestrian gate (Bulkington Rd) or car park gate (The Priors) and wait to be let in.

After School Club collection (4.20pm)

- KiCK coaches and the P.E. Team will open the front gate (Bulkington Road) at **4:20pm** for parents collecting pupils.
- The other pedestrian gates at the back of the Infant site will remain open until After School Club finishes.
- Parents will not be able to access via the car park gate at any time.

We aim to make the move over to this new system as smooth as possible, however, please bear with us should there be any teething problems with the new system.

We hope that you understand the importance of making these changes, to ensure the safety of everyone on our school site.

Thank you for your continued support.

Yours sincerely,

K. O'Grady
